

Volunteers Building Strong, Healthy & Prepared Communities

Local Volunteers Needed for COVID-19 Vaccination Clinics

Medical professionals and non-medical support staff needed

Step 1: Registration

- Register at [MAResponds](#)

NOTE: After creating your log-in credentials (user name and password), affiliate with the Franklin MRC in the “Add Organizations Region Map” ***not*** the COVID Response Team option.

- Complete your profile: Identity, Deployment Preferences, Contact, Occupations, Training, Skills and Certifications, and Background Check

Step 2: Background Check

- A pre-populated version of the CORI form may be created in the *Background Check* tab. Click *Edit Background Check Form* (middle left in blue) and complete all fields. Click *Open Pre-Populated Form* to download.
- Email a digital picture or scan of your CORI form and a digital picture or scan of the front and back of your driver’s license or government ID to MRCVolunteer@frcog.org. Please note that a Notary signature is NOT needed.

Step 3: Training

- All Franklin County MRC volunteers must complete two short online trainings and record them in their MA Responds profile. Clinical volunteers who wish to serve as vaccinators must complete an additional online training. Find all trainings [HERE](#)
